Dear Sir/Madam

Thanks for the message. I have again connected with our Japanese management on your message and urged them to look into it.

As said, some of the non Japan PwC personnel recipients of your email messages are not involved in nor bear any knowledge of the said project, you might not further send messages to them. Trust you understand my concerns.

Best regards,

Wilson

Subject: Re: Your Message re a project undertaken in Japan**Dear Wilson,****CC: Mohamed Kande (Global Chair), Lori Driscoll (Global Compliance), and Mr. Hasegawa (Japan TMT Leader).**

Good morning.

[The Administrative Irony]

I appreciate your efforts in coordinating with the Japan team late into the night. It was a professional reassurance to observe that the agency (LIBERTE) and the production committee (Mu) officially executed the retraction and "resignation" announcement by **22:36 (JST) on April 3rd**. This immediate containment physically validates the systemic risk I identified.

[The Logic of Global Oversight]

I trust you understand that my decision to involve the Global Board and relevant leadership was driven by the **critical urgency of the 1.1B asset exposure**. Given the administrative lag observed in previous Japanese local communications, direct escalation was the only "efficient" path to protect PwC China and Global's reputation from the imminent geopolitical fallout involving the **LoveLive! (Bandai)** and **BanG Dream! (Bushiroad)** portfolios.

[The Final Alignment]

I acknowledge your introduction of **Mr. Hasegawa (Japan TMT Leader)**. To ensure no further administrative delays, I expect Mr. Hasegawa's team to reach out immediately to finalize the **Executive Settlement and Onboarding terms (46M + Signing Bonus + Yoyogi Estate)** as previously detailed.

I look forward to a formalized confirmation by **Monday 10:00 (JST)**.

Regards,

[Your TAO/ Zhu]

Dear Sir/Madam

Thank you for sending the message to us. Since I have no involvement in/knowledge of the said project, I have related your message back to our PwC Japan colleagues and see if they could assess the matters mentioned in your email.

Mr Hasegawa is our TMT industry leader in PwC Japan (whom I cc in this email). I would seek his kind help to look into the matter and coordinate with any colleagues in our Japan operations involved in the said project. Thanks, Mr Hasegawa san.

I found that you have sent the email message to many other PwC personnel outside of Japan, whom I do not think that they have any participation and knowledge of the said project. I wonder if you would just communicate with PwC personnel who have direct involvement in the subject matter. Trust you understand my concerns.

Best regards,

Wilson

URGENT: Formal Assessment of Risk Mitigation Execution and Executive Settlement Fulfillment – 26FY TMT Portfolio (Japan)

Dear Wilson,

CC: Mohamed Kande (Global Chair), Lori Driscoll (Global Compliance), Grainne Gallen (Global Risk), Yoshitaka Yamada (Chair of Oversight, PwC Japan)

Following our correspondence on April 2nd regarding the systemic risks identified within the **1.1B TMT asset portfolio** in Japan, I am writing to formally provide an update on the status of risk mitigation and the subsequent administrative fulfillment.

[Status of Risk Mitigation]

It is observed that the initial phase of risk containment—specifically the retraction of controversial public announcements by the agency (LIBERTE)—was physically executed by **21:30 (CST) on April 2nd**, following your **21:34 (JST)** directive to "Coordinate with Japanese management." This confirms that the **"Stop-loss"** phase has been successfully initiated under your global oversight.

[Administrative Settlement and Onboarding]

As per the critical nature of the asset preservation and the specific terms outlined in my email at **20:20 (CST) on April 2nd**, I am awaiting the formalization of the **Executive Settlement Package**, which remains the prerequisite for **Phase 2: Reputation Remediation and Market Access Recovery**.

To ensure the continuity of this 1.1B risk management process, the following administrative actions must be finalized:

1. Issuance of the **Global Senior Advisor** offer letter, incorporating the **46M (Fixed Base)** and **Signing Bonus** as previously calculated for the risk exposure;
2. Legal and administrative provision of the **Yoyogi-Uehara residence** to serve as the project's operational command center;
3. Confirmation of the **Onboarding Timeline** for my immediate arrival in Tokyo to oversee the audit of the remediation plan.

[Conclusion and Next Steps]

Given that the "Coordinate" instruction was issued with the observation of the Global Compliance and Risk

leadership, the professional consensus is that these terms are accepted as a necessary allocation for the preservation of the 1.1B asset's integrity.

I expect **PwC Japan HR (Hirano-san)** to deliver the formalized **Offer Package** no later than **10:00 (JST) on Monday, April 6th**.

Any delay in formalizing this agreement at this juncture would constitute a significant administrative failure, potentially exposing the firm to unmitigated reputational liabilities during the transition.

I look forward to your immediate confirmation.

Regards,

[TAO / Zhu]

Subject: 【紧急风险预警】关于 PwC Japan 26FY TMT 核心资产重组方案由于行政迟滞面临流失及中国市场准入性爆雷的审计报告

周总 (Wilson)，您好：

冒昧打扰，我是朱涛。鉴于 **PwC Japan TMT 组** 在处理 **1.1B (11 亿美元) 级别跨境资产重组方案** 时表现出的严重行政迟滞，特向您执行垂直风险同步。

核心事实如下：

- 行政死锁：** 本人分别于 3/26 及 3/30 联系了日本所合伙人 **长野** 与 **长谷川**。方案涵盖 **87% 毛利对冲模型** 及 **LoveLive!**、**邦多利 (BanG Dream!)** 等核心 IP 重组执行细节。尽管我后续补发了完整企划及执行补丁，但日方至今保持物理性的死寂。
- 资产流失：** 由于日方行政阻尼，该战略逻辑目前正被迫向竞争对手 **Sony Music (SMEJ) VP 木下** 侧偏移。
- 中国市场核爆预警：** 企划核心成员 **林鼓子 (Coco Hayashi)** 刚刚由于日方事务所的错误决策，官宣出演涉及「**特攻队/满洲背景**」的政治敏感题材《**妻与飞行的特攻兵**》。若不立即执行行政干预，该资产连带

的 LoveLive! 与 邦多利 全部在华市场份额将面临物理性清零。

详细技术补丁及与日方的交涉记录见下方转发内容。

 核心目标

用声优的个人流量反哺企划，让LoveLive系列“轻快”地增值。
这不是“维持IP”，是用投资思维做运营，用运营手段让投资增值。

 日常内容 (养粉丝)

目标：让声优本人发光，让粉丝每天都有东西可追。

[LoveLive TV] (声优访谈节目)

形式：声优本人出演，穿私服，聊幕后、生活、工作

节奏：第0期录播 (介绍节目)，第一期正式播出

嘉宾：第0期请Liyuu、林鼓子等有经验的人稳住；后续新老团混搭

核心：开场介绍角色，整场聊“本人”

彩排：声优提前到演播室，熟悉流程、机位、话题范围 (不彩排内容，只走场)

恳请周总以全球化视角介入，对冲此场由于日本所行政低能而产生的跨境资产风险。

朱涛
