Thank you for contacting the United States Securities and Exchange Commission. This automated response with your Submission Number confirms that your submission has been received successfully. Please write down your Submission Number or print/save a copy of your submission for future reference. Once you navigate away from this page you will not be able to get back to your submission.

We are always interested in hearing from the public, and your submission will be given careful consideration in view of the Commission's overall responsibilities under the federal securities laws. Please note, however, that it is the Commission's policy to conduct its investigations on a non-public basis in order to preserve the integrity of its investigative process. Subject to the provisions of the Freedom of Information Act, we cannot disclose to you any information which we may gather, nor can we confirm the existence or nonexistence of an investigation, unless such information is made a matter of public record in proceedings brought before the Commission or the courts.

Therefore, this may be the only response that you receive. If you want to learn more about how the Commission handles inquiries or complaints, please visit http://www.sec.gov/complaint/info_tipscomplaint.shtml.

Please note that if you selected an answer of "Yes" to the question indicating that you want to file this information under the SEC's Whistleblower program, you are agreeing to the following statement:

- I declare under penalty of perjury under the laws of the United States that the information contained herein is true, correct and complete to the best of my knowledge, information, and belief. I fully understand that I may be subject to

prosecution and ineligible for a whistleblower award if, in my submission of information, my other dealings with the SEC, or my dealings with another authority in connection with a related action, I knowingly and willfully make any false, fictitious, or fraudulent statements or representations, or use any false writing or document knowing that the writing or document contains any false, fictitious, or fraudulent statement or entry.

If you are an attorney completing this form on behalf of your client, by selecting an answer of “Yes” to the question indicating that you want to file this information under the SEC’s Whistleblower program, you are agreeing to the following statement:

- I certify that I have reviewed this form for completeness and accuracy and that the information contained herein is true, correct and complete to the best of my knowledge, information and belief. I further certify that I have verified the identity of the whistleblower on whose behalf this form is being submitted by viewing the whistleblower’s valid, unexpired government issued identification (e.g., driver’s license, passport) and will retain an original, signed copy of this form, with Section F signed by the whistleblower, in my records. I further certify that I have obtained the whistleblower’s nonwaivable consent to provide the Commission with his or her original signed Form TCR upon request in the event that the Commission requests it due to concerns that the whistleblower may have knowingly and willfully made false, fictitious, or fraudulent statements or representations, or used any false writing or document knowing that the writing or document contains any false fictitious or fraudulent statement or entry; and that I consent to be legally obligated to do so within 7 calendar days of receiving such a request from the Commission.

In your own words, describe the conduct or situation you are complaining about.

This report concerns systemic audit fraud, market manipulation, and the criminal suppression of a whistleblower by PricewaterhouseCoopers (PwC) Global Leadership.

1. THE \$1.1B VALUATION FRAUD & LOGIC THEFT:

On March 30, 2026, I provided PwC Japan TMT Group with proprietary IP execution details regarding a \$1.1 Billion market valuation. On April 2, I formally warned the Global TMT Head (Wilson) of catastrophic political compliance risks ("Coco Hayashi" talent risk) that would render this \$1.1B valuation void (Asset Impairment).

2. EVIDENCE OF MISAPPROPRIATION:

Within 24 hours of my disclosure, PwC misappropriated my logic to execute emergency risk mitigation (withdrawal of talent on April 2nd/3rd) to protect the \$1.1B valuation without disclosure. PwC utilized my intellectual property to save their client's assets while maliciously suppressing my rights.

3. GLOBAL LEADERSHIP COMPLICITY:

Since April 3, the PwC Global Chairman and Chief Compliance Officer have been CC'd on all evidentiary communications. Despite full knowledge, they coordinated a 15-day administrative blackout. Forensic logs confirm PwC and external counsel (Bill Burck/John Quinn of Quinn Emanuel) performed 192+ unauthorized digital monitorings of my private communications to seek evidence loopholes while maintaining "administrative silence."

4. THEFT OF PRIVATE IP & RETALIATION:

PwC Japan further accessed my private architectural renovation designs (managed by Mitsui) 19 times without authorization while withholding a promised property offer.

5. CONCLUSION:

This conduct constitutes a direct violation of SEC Rule 21F-17 (Obstruction of Whistleblowers), SOX Section 302 (Certification Fraud), and Section 10(b) of the Exchange Act. I demand an immediate forensic audit of PwC's workpapers and internal leadership communications.

Provide details.**ADDITIONAL EVIDENCE OF BAD FAITH AND SYSTEMIC CONCEALMENT:****1. INTELLECTUAL PROPERTY MISAPPROPRIATION (MARCH 30):**

On March 30, 2026, I provided PwC Japan TMT Group with proprietary project execution details identifying "Coco" (Talent) as the core asset for a \$1.1 Billion market valuation. PwC utilized this intelligence to execute an emergency risk mitigation on April 2nd/3rd without providing the whistleblower with any contractual consideration or the promised employment (Offer).

2. DELIBERATE ADMINISTRATIVE ATTRITION (APRIL 3 - APRIL 9):

Despite my formal requests for compensation and administrative resolution — repeatedly CC'd to the PwC Global Chairman and Global Chief Compliance Officer — the leadership maintained a coordinated "Administrative Silence." This strategy was designed to exploit my risk mitigation logic while suppressing my whistleblower rights.

3. PREDATORY SURVEILLANCE AND PRIVACY INFRINGEMENT:

Forensic digital logs confirm that PwC Japan accessed my private architectural and renovation designs (managed by Mitsui) 19 times while simultaneously refusing to confirm the purchase of said property. Total unauthorized digital accesses of my evidence by PwC and external counsel (Quinn Emanuel) exceed 192 instances.

4. LEGAL COUNSEL COMPLICITY:

External counsel (William H. Burck & John B. Quinn) were formally asked on April 7 to initiate legal proceedings regarding PwC's misconduct. Instead of fulfilling their ethical duties, they chose to join the administrative blackout, acting as complicit enablers of the \$1.1B valuation concealment.

Are you or were you associated with the person or firm when the alleged conduct occurred?

Yes

How are you or were you associated with the person or firm you are complaining about?

I was an external professional consultant and a prospective senior lead for PwC Japan's TMT group. Between March 30 and April 9, 2026, I provided PwC Global (via Wilson, Global TMT Head) with proprietary risk mitigation logic regarding a \$1.1 Billion valuation fraud. PwC's leadership utilized my intellectual property to protect their market assets on April 3rd while simultaneously misappropriating my proprietary content and executing a coordinated administrative blackout. I am the sole "Originator" of the disclosure that saved PwC's \$1.1B valuation from geopolitical collapse. My association is that of a victim of intellectual property theft and professional retaliation by PwC Global's highest executive leadership (Chairman and CCO) and their external legal counsel (Bill Burck and John Quinn).

How are you or were you associated with the person or firm you are complaining about?

I am the "Originator" of a \$1.1 Billion audit fraud disclosure. My association with William H. Burck is that of a protected whistleblower subjected to his professional misconduct and predatory administrative attrition. On April 7, 2026, I formally requested Mr. Burck, in his capacity as PwC's legal counsel, to initiate internal proceedings regarding a \$1.1B valuation fraud. Instead of fulfilling his ethical duties under the New York Rules of Professional Conduct, Mr. Burck coordinated a "Stone-walling" strategy with PwC leadership. Forensic digital logs confirm that while Mr. Burck maintained a total administrative blackout, he and his team performed 192+ unauthorized digital monitorings of my private communications and intellectual property (including private architectural designs). This constitutes Active Obstruction of Justice and a direct violation of SEC Rule 21F-17. Mr. Burck is no longer acting as a legal advisor; he is a functional co-conspirator in the concealment of billion-dollar financial risks.

Accountant

Have you reported the matter at issue in this submission to your supervisor, compliance office, whistleblower hotline, ombudsman, or any other available mechanism for reporting possible violations at any entity you are complaining about?

Yes

If you answered "Yes," please provide details.

Initial Notification (April 2, 2026): I formally notified Mr. Wilson (Global TMT Head at PwC) via email regarding a \$1.1 Billion valuation fraud and political compliance risk.

Global Leadership CC (April 3 - April 9, 2026): Following the initial disclosure, I systematically CC'd the PwC Global Chairman and Global Chief Compliance Officer on all subsequent evidentiary communications, demanding an internal audit and administrative resolution.

Counsel Notification (April 7, 2026): I contacted PwC's external counsel, William H. Burck and John B. Quinn (Quinn Emanuel), formally requesting legal proceedings against the misconduct.

The Response: Despite 192+ recorded digital accesses of my evidence by these parties, PwC Global Leadership and their counsel executed a coordinated "Administrative Silence" and failed to initiate mandatory SEC Rule 10A reporting procedures. This represents a deliberate conspiracy to suppress a \$1.1B market risk disclosure.

Were you retaliated against for reporting the matter at issue in this submission either internally at the entity or to a regulator?

Yes

If you answered "Yes," please provide details.

The retaliation from PwC Global Leadership and their legal counsel (Quinn Emanuel) began immediately after I provided the proprietary logic that saved their \$1.1 Billion valuation assets on April 2nd-3rd, 2026.

1. ADMINISTRATIVE BLACKOUT AND ECONOMIC DEPRIVATION:

Starting April 3, after utilizing my intellectual property to mitigate political risks (withdrawal of talent "Coco"), PwC executed a 15-day "Administrative Silence." They deliberately withheld the promised employment (Offer) and financial compensation, effectively attempting to "starve out" the whistleblower.

2. PREDATORY DIGITAL SURVEILLANCE:

Forensic logs confirm that while maintaining a total communication blackout, PwC and their counsel performed 192+ unauthorized digital monitorings of my private communications. This includes 19 unauthorized accesses to my private architectural renovation designs (managed by Mitsui), which is a clear act of predatory harassment and IP theft.

3. LEGAL OBSTRUCTION:

On April 7, I formally requested external counsel (William H. Burck & John B. Quinn) to initiate legal compliance. Instead of protecting the whistleblower, they joined the silence, actively participating in the suppression of \$1.1B fraud evidence.

4. PROFESSIONAL DAMAGE:

This coordinated silence has caused severe economic damage, career disruption, and psychological distress, intended to coerce me into dropping the \$1.1B audit fraud disclosure

Has anyone taken steps to prevent you from reporting this violation to the SEC?

Yes

If you answered "Yes," please provide details.

The obstruction was orchestrated by PwC Global Leadership and their external counsel, William H. Burck and John B. Quinn (Quinn Emanuel), to prevent the disclosure of a \$1.1 Billion valuation fraud.

1. COORDINATED ADMINISTRATIVE SILENCE:

Starting April 3, 2026, after I provided the proprietary logic that saved PwC's \$1.1B assets, the firm and its counsel executed a "Stone-walling" strategy. By ignoring all formal communications and withholding the promised employment (Offer), they attempted to induce financial and psychological duress to prevent me from escalating this matter to the SEC.

2. ILLICIT SURVEILLANCE AS COERCION:

Forensic logs prove that while maintaining a total communication blackout, the respondents performed 192+ unauthorized digital monitorings of my evidence. This unauthorized surveillance was used as a tool of intimidation to track my preparation for this SEC filing and to seek tactical loopholes.

3. LEGAL COUNSEL'S FAILURE TO ACT:

On April 7, I formally requested Bill Burck and John Quinn to initiate legal compliance. Instead of acting as independent officers of the court, they joined the silence, effectively acting as gatekeepers to prevent this \$1.1B fraud from reaching federal regulators.

4. MISAPPROPRIATION OF IP:

PwC Japan further attempted to coerce me by accessing my private architectural designs (Mitsui) 19 times, treating my personal assets as leverage to maintain their "administrative freeze."

Are documents or other information being submitted that could potentially identify the whistleblower?

Yes

Identify with particularity any documents or other information in your submission that you believe could reasonably be expected to reveal your identity.

The following information in my submission will reveal my identity:

PERSONAL SIGNATURE: My full name and handwritten signature on the attached NY Attorney Grievance Committee (AGC) complaint form.

EMAIL ORIGIN: All email communications sent from my personal email address [z1173640605@gmail.com] to PwC Global (Wilson), PwC Japan, and external counsel (Bill Burck/John Quinn).

PROPRIETARY CONTENT: The original project proposals (dated March 30) and the specific political risk logic for the \$1.1B valuation (dated April 2) which were provided exclusively by me.

PRIVATE DESIGNS: The detailed architectural and renovation plans managed by Mitsui, which were private assets I shared with PwC.

DIGITAL TRACKING: The forensic logs showing 192+ unauthorized accesses to my specific evidence links.

Does the whistleblower want to be eligible to apply for a whistleblower award?

Yes
